## Tips for Schools, Colleges and Universities ...

- \* Distribute challenge cards to all students and teachers.
- \* Have a school-wide art, essay or poster contest on the importance of recycling and buying recycled products. Find local sponsors for prizes for the best entries.
- \* Coordinate a class field trip to a local recycling center.
- \* Promote America Recycles through the school newspaper, morning announcements and PTA meetings.
- \* Show the Recycle Guys public service announcements on your school's closed-circuit television (call 1-800-768-7348 for a VHS copy).
- \* For a day, integrate recycling into all subjects. Examples: calculate the number of sheets of paper that equals one ton and find out about the environmental impacts of recycling one ton of paper.
